

# YOU TOLD THE UN NOW THE EPA WANTS TO LISTEN

*Community action for a safe, healthy, desirable place to live and play.*

## **Future Sooner**

Hosts an afternoon with Tony Chappel, CEO  
Environment Protection Authority (EPA)

## **COMMUNITY MEETING**

***Friday 1<sup>st</sup> December 12.30 pm – 3.30 pm***

***CHAIN VALLEY BAY COMMUNITY HALL***

*Turn at Tall Timbers Rd. (Woolworths) & right into Scaysbrook Ave.*

The UN draft report was scathing of the EPA for its inaction and disconnect from the community. The findings of the Coal Ash Inquiry is also scathing of the EPA, NSW Health and the NSW Government.

*This is your chance to tell your story of how air and water pollution is affecting your health and wellbeing and to get the answers on what the EPA will do for our community.*
